

2026-27 Northlake Park Kindergarten

Dear Parents,

When shopping for supplies, please purchase the **name brands** listed. **We believe these products to be the best and most likely to make it through vigorous use by five/six-year olds!** If all families purchase the same name brands and products, all children will be receiving the same items when replenished. This list may seem long, however, please keep in mind that we will be using the supplies all year long.

Thank you,

The Kindergarten Team
